

Leadership professional learning

Strengthening leadership at every level

Enrich your leadership learning journey at: www.scelframework.com

The SCEL Framework for Educational Leadership provides online, self-directed learning activities for all educators in core aspects of educational leadership. In addition, activities can be used collaboratively and coordinated by leaders of professional learning.

The Framework provides further information on our educational leadership programmes outlined below and those which have been endorsed by SCEL.

	Teacher Leadership Programme	Collaborative Middle Leadership	Into Middle Leadership in Schools	Middle Leadership Postgraduate Certificates	Into Headship	Towards Headship	In Headship	Excellence in Headship	SCEL Fellowship Programme	Leading Systems Change
Who is it for?	All post-probation teachers	All middle leaders	All middle leaders and CLPL coordinators who lead learning of middle leaders	Middle leaders/ aspiring middle leaders	Aspiring head teachers	Aspiring head teachers who have successfully completed SQH / FRH	Head teachers normally within their first two years of headship	Head teachers with a minimum of two years' experience	Head teachers with a minimum of five years' experience and evidence of impact beyond their own school setting	System leaders at local authority and national level
What's involved?	<p>The Teacher Leadership programme will help you to develop against the GTCS Standard for career-long professional learning and become more confident in leading classroom practice.</p> <p>Learning is primarily accessed online through Glow, and you'll be supported and challenged by a group of peers in or near your local authority as well as a critical friend and a programme tutor.</p>	<p>Bringing together the whole middle leadership community within a given school, establishment or wider learning community to tackle existing improvement priorities.</p> <p>This programme offers a range of bespoke development activities for you to work on with colleagues and will normally be commissioned by senior leaders for whole teams within their schools or communities.</p>	<p>This is an online resource that outlines professional learning activities for those who are, or wish to be effective middle leaders.</p> <p>It can be used as a self-directed resource or by providers of middle leadership learning experiences.</p>	<p>Postgraduate certificates in middle leadership - offered at several partner universities - enabling you to work towards 60 credits at SCQF level 11 which articulate with relevant professional standards.</p> <p>It can be a stand-alone qualification as well as the first stage of the Masters Pathway towards the Specialist Qualification for Headship.</p>	<p>Into Headship is Scotland's national qualification for headship and is a 60-credit postgraduate qualification at SCQF level 11 which forms part of a Masters pathway to award the Specialist Qualification for Headship. It is a practice based programme delivered in partnership with universities and local authorities focused on developing your strategic leadership. On successful completion, you'll be awarded the Standard for Headship.</p>	<p>Towards Headship supports the continuous professional learning of those already awarded the Standard for Headship and are not yet in head teacher posts.</p> <p>The programme will help you critically engage with the current and emerging international and national policy contexts and reinforce your knowledge of key aspects relating to school leadership.</p>	<p>In Headship is a 60-credit postgraduate qualification at SCQF level 11 and the final part of a Masters pathway awarding the Specialist Qualification for Headship.</p> <p>As a head teacher, the programme provides support for transitioning to your new role and helps deepen your understanding, application and evaluation of the Standard for Headship in practice as you critically reflect on your first phase of headship.</p>	<p>Excellence in Headship is an ongoing programme which provides opportunities for collaborative learning, cross-system learning, coaching and mentoring, network development, issue exploration, international exchange and engagement with online learning.</p>	<p>Provides stretching development opportunities for experienced head teachers to contribute to system-level leadership to impact positively on outcomes for children and young people across the country.</p> <p>Upon successful completion of the programme, you will become a SCEL Fellow supporting system level improvement.</p>	<p>This programme supports the twin aims of excellence and equity through a whole-systems approach to developing integrated leadership.</p> <p>It prepares those working in public services in general, and education services in particular for the increasingly diverse and complex challenges encountered when undertaking system leadership roles.</p>
What does it cost?	Fully funded	Fully funded, unless an external facilitator is used	Fully funded	In line with the individual university pricing structure	Fully funded	Fully funded	Fully funded	Fully funded	£1000	Pending
